

## Call for Nominations

### 2024 PAP OUTSTANDING PSYCHOLOGIST AWARD

The Psychological Association of the Philippines (PAP) is currently seeking nominations for Outstanding Psychologists to be honored in 2024. The Outstanding Psychologist Award was initially presented by the PAP in 1988 and has been awarded every seven years since then. This accolade recognizes exceptional accomplishments in various areas of the psychology field, including teaching, research, and practice. Unlike other PAP awards that focus on specific aspects of the discipline, the Outstanding Psychologist Award celebrates achievements across all facets of psychology.

The Outstanding Psychologist Award Search Committee is composed of former recipients of the award, and will select the 2024 awardee(s) based on the following general criteria:

1. The nominee should exhibit exemplary moral character, with a track record of ethical conduct and professionalism.
2. The nominee must have demonstrated outstanding contributions in multiple areas of the discipline, including:
  - a. Teaching or training
  - b. Research and publications
  - c. Practice within their area of expertise
  - d. Significant contributions to the field that have garnered national or international recognition and impact.

PAP members are encouraged to nominate psychologists for consideration for this award. To nominate a psychologist for this recognition, please submit the following:

1. A nomination letter that:
  - a. Provides a detailed account of the nominee's exceptional contributions to the field, highlighting their achievements in teaching/training, research/publications, and professional practice.
  - b. Articulates the reasons why the nominee is a deserving candidate for the award, citing significant contributions that have garnered national or international recognition and impact.
2. The duly completed nomination form (attached) that summarizes the key points outlined in the nomination letter.
3. The nominee's comprehensive curriculum vitae.

Please submit your nominations to the PAP Outstanding Psychologist Awards Committee via email at [com.awards@pap.ph](mailto:com.awards@pap.ph) not later than July 14, 2024.

Thank you very much and we look forward to receiving your nominations.
